Business E-Newsletter - Your Quarterly Business Dialogue

Welcome from the Leader

As Christmas is quickly approaching, now is a good time to look at the progress that has been made over the past year and start to look ahead to 2017. Two significant capital projects have taken major steps forward over the past few months which will further enhance the Chorley business and retail offer. The first is the **Digital Office Park** to be located at Euxton Lane, near Chorley Hospital. It is really positive news that the Council has bid for will receive more than £4.1million of ERDF European Funding towards this £8.4million scheme. This is one of the most significant business developments to happen in Chorley for a generation and will create hundreds of well-paid and skilled jobs.
