Taking place at

Age UK Chorley

Lifestyle Centre

Gillibrand Street, Chorley, PR72EJ

Six week course starting on:

Thursday 10

January 2019

9.30am-11.30am

Our free tablet and smartphone course will help you navigate the web and stay connected with friends and family online.

If you are new to using a tablet device, thinking of buying a tablet or you may want to expand your knowledge and use more of your tablet or smartphone features.

Come along and learn more about what your devices can do – how to choose, install and use a wide variety of Apps (such as TV catch up, bus/train timetables, Maps, games, music, news and social media) use iCloud for pictures and review security features and settings. Bring your own tablet or we can provide one for you.
