eight week course starting on

Date TBC, please call to reserve your place

Our free tablet and smartphone course will help you navigate the web and stay connected with friends and family online.

**Free
eight week
course**

**booking
essential**

If you are new to using a tablet device, thinking of buying a tablet or you may want to expand your knowledge and use more of your tablet or smartphone features.

Come along and learn more about what your devices can do – how to choose, install and use a wide variety of Apps (such as TV catch up, bus/train timetables, Maps, games, music, news and social media) use iCloud for pictures and review security features and settings. There will also be a focus on public services such as MyAccount, planning and reporting local issues
