Taking place at  
**Eccleston Library**

Six week course starting on

**Date TBC, please call to reserve your place**

Our free tablet and smartphone course will help you navigate the web and stay connected with friends and family online.

**Free  
six week  
course**

**booking  
essential**

If you are new to using a tablet device, thinking of buying a tablet or you may want to expand your knowledge and use more of your tablet or smartphone features.

Come along and learn more about what your devices can do – how to choose, install and use a wide variety of Apps (such as TV catch up, bus/train timetables, Maps, games, music, news and social media) use iCloud for pictures and review security features and settings. There will also be a focus on public services such as MyAccount, planning and reporting local issues

**Call 01257 515151 or email [getonline@chorley.gov.uk](mailto:getonline@chorley.gov.uk) to book**
