Making the most of your tablet and smartphone

Taking place at
Coppull Leisure Centre

eight week course starting on

Wednesday 23

January 2019

9.30am-11.30am

Our free tablet and smartphone course will help you navigate the web and stay connected with friends and family online.

Free
eight week
course

If you are new to using a tablet device, thinking of buying a tablet or you may want to expand your knowledge and use more of your tablet or smartphone features.

Come along and learn more about what your devices can do – how to choose, install and use a wide variety of Apps (such as TV catch up, bus/train timetables, Maps, games, music, news and social media) use iCloud for pictures and review security features and settings. There will also be a focus on public services such as MyAccount, planning and reporting local issues
