# Sustainable Community Strategy 2010 - 2020

## Vision
Chorley will smile as the most attractive and supportive place in the North West to live, work, invest, play and visit. People will be healthy and happy in safe communities where they can achieve their ambitions.

## Themes

<table>
<thead>
<tr>
<th>You and Your Family</th>
<th>You and Your Community</th>
<th>You and Chorley</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Strong Family Support</strong></td>

<td><strong>Education and Jobs</strong></td>
<td><strong>Safe Respectful Communities</strong></td>
<td><strong>Vibrant Local Economy</strong></td>
</tr>
<tr>
<td><strong>Being Healthy</strong></td>
<td><strong>High quality coordinated public services</strong></td>
<td><strong>Thriving Town Centre, Local Attractions and Villages</strong></td>
</tr>
<tr>
<td><strong>Long term outcome</strong></td>
<td><strong>Clean streets</strong></td>
<td><strong>Sustainable Places and Transport</strong></td>
</tr>
</tbody>
</table>

- Ensure early intervention and prevention of health and wellbeing problems
- Use a whole family approach to address problems and provide support
- Support the ageing population to be healthy and independent
- Improve skills across the family
- Improve links from good quality education to employment
- Promotion and uptake of local job prospects
- Improve the quality of local health services
- Reduced Health Inequalities
- Families enabled to make healthy lifestyle choices
- Provision of quality affordable housing
- Safe communities
- Cohesive communities where people get on well together
- Communities that residents actively take care of and improve
- Reduce death and injuries from fire
- High quality coordinated public services
- Clean, safe and well used open spaces
- Empowered local people managing community assets
- Reduce energy consumption
- Ensure sustainable modes of transport
- Promote knowledge based inward investment
- Support a strong, indigenous business base
- Places to visit, play, and enjoy as a tourist destination
- A contemporary market town with good quality shops
- Thriving local villages

## Reducing Public Expenditure by Working Together
