Due to a road accident right outside our premises that has resulted in a telegraph pole being knocked over, we have no internet and no phone systems. Open reach and our phone system engineers and IT professionals are working hard to resolve the situation  
 Until then we thank you for your patience and understanding and ask that if something is urgent you try to communicate via messenger

Road closed at z bends near Traveller's Rest. I know because I'm stuck. They're dragging a car out that's gone over the edge. No idea about the people involved

Looks like something has happened near Ken Linfods. Cyclist sat on the floor and his wheel is buckled. Unsure if he has just come off or been knocked off.

We are appealing for information after a collision left a man with serious injuries.

We were called at about 12.40pm today (Monday, August 7) following a collision between an ebike and a Nissan X trail on Dunkirk Lane, Leyland.

An 18-year-old man from Leyland was taken to hospital with serious injuries.

The Nissan driver was unhurt.

Sgt Daniel Gunn, of the Roads Policing Unit, said: "This collision has left a young man with some very serious injuries, and I would appeal to anyone who witnessed the incident itself or who has CCTV, dashcam or mobile footage to get in touch."

Anyone with information should contact police on 101 quoting log 0640 of August 7. You can also email [SCIU@lancashire.police.uk](mailto:SCIU@lancashire.police.uk)
