

HIGHWAY SAFETY - SCHOOL LANE
Photographs taken Wednesday 1

Bus stop (Old Orchard Place) on eastern side of School Lane - narrow footpath, little room for bus passengers to wait without obstructing the pathway for other pedestrians

Footpath heading north from Slater Lane junction towards the bus stop illustrated above - very narrow pavement obstructed by lamp-post.

The arrow indicates the location of the school bus stop on the eastern side of School Lane, just south of the school crossing patrol point at junction of Slater Lane.

There is no footpath from the junction of School Lane and Slater Lane to the school bus stop.
