## YOUR COMMENTS ON THE CASE

I live near the existing prisons. The traffic noise and fumes are unbearable as it is now. Children going to school are put at risk with the traffic, so more traffic with the proposed new prison is madness. You can't get out of the lane onto Southport Road due to the queues. Numerous accidents now never mind with increased traffic. It's used by tractors and was built as a minor road. Narrow lanes etc. the road won't take lorries or building supplies. The area won't take increased sewer, water demands. I hear at least 3 ambulances or police cars hurtling towards the existing 2 prisons on a daily basis. If they build another one then the road will be that congested the emergency services would be delayed. I will be forced to sell my home of 32 years if the new prison is built. It's disgusting. Build it somewhere else. We have enough trouble here.
