Dear all,

Town and Country Planning Act 1990

Appeal by: Ministry of Justice

Site Address: Land adjacent to HMP Garth and HMP Wymott, Leyland

Following the letters of 19th January and 6th April from Phil Barber at DLUHC, we are writing to confirm the arrangements for the re-opening of the above inquiry.

The Inspector and Inquiry date

The Inspector will continue to be **Tom Gilbert-Wooldridge BA (Hons) MTP MRTPI IHBC** and the inquiry will re-open at **10.00am** on **19th September 2023**. We have currently scheduled **4** sitting days.

The Inspector will hold a further case management conference with the main parties via Microsoft Teams (Inspectorate hosted), at **10.00 on 12th May 2023**. More details will follow including an agenda and details of how to call in. Each party should have a single spokesperson nominated to speak; the intended advocates should participate if at all possible. Please can you provide the name and email address of your spokesperson 7 days before the case conference, along with the names/email addresses of any other participants.

Sending documents to us, and looking at the appeal

A timetable for some elements of your case is set out below. No reminders will be sent, and any documents sent after the deadlines will normally be returned.

You can use the Internet to submit documents, to see information and to check the progress of cases through GOV.UK. The address of the search page is <https://acp.planninginspectorate.gov.uk/>

If emailing documents, please use the email address above. If posting documents please send 3 copies of everything. Whichever method you use, please make sure that all documents/emails are clearly marked with the full reference number.

Guidance on communicating with us electronically can be found at <https://www.gov.uk/government/publications/planning-appeals-procedural-guide>

Keeping to the timetable

You must keep to the timetable set out below and make sure that you send us the relevant documents within these deadlines. This will mean that we can deal with the appeal promptly and fairly. If you do not send us the relevant documents in time, the Inspector will not normally look at them and we will return them to you unless there are exceptional reasons for accepting them. Not meeting the prescribed timetables may be a reason for the Inspector to initiate an award of costs (see section on costs below).

Unless agreed otherwise by the Inspector at the case management conference the following documents must be sent within this timetable.

By 22 August 2023

Parties must send us their proof of evidence (and a written summary if the proof is over 1500 words in length) on the highways issue only. You should also send a copy to any statutory party. A proof of evidence is a written statement that you, the LPA or a witness wants the Inspector to take into account at the inquiry. Any summary should reflect the contents of the proof and should not include new evidence.

Yours faithfully,

Leanne Palmer
